

# Texas Watershed Stewards

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**May 12, 2010: 8:00am-4pm**

Library at Cedar Creek Lake  
410 East Cedar Creek Parkway  
Seven Points, TX 75143

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Cedar Creek Watershed as well as efforts by Texas

AgriLife Research, Texas AgriLife Extension, and the Tarrant Regional Water District to help improve water quality in the lake and the health of the surrounding watershed.

Pre-register for the workshop by going to:  
<http://tws.tamu.edu>.
